MISHAWAKA -- Environmental activist Jeanette Neagu will speak at 5:30 p.m. today about the challenges facing the Great Lakes ecosystem.

The public is welcome to the free event at Sufficient Grounds Coffee House, 711 McKinley Ave.

Neagu will speak about the position of the Lake Michigan League of Women Voters on the issue. She is active with the league in Indiana, along with a coalition of leagues for Lake Michigan issues. She is president of Save the Dunes.

The event is sponsored by League of Women Voters of the South Bend Area.
