November, 2015

CITIZEN'S GUIDE SPONSORSHIP PROGRAM

Dear Friend of the League of Women Voters,

For as long as any member can recall, the League of Women Voters has published the *Citizen's Guide to Representative Government*, a comprehensive collection of contact information for local, state, and national government offices, plus St. Joseph County voting information.

The League distributes this valuable citizen resource free of charge at public places such as libraries, public offices and local businesses. We update the *Guide* following most November elections to keep it as current as possible and sometimes reprint between updates as demand dictates and purse strings permit. Organizations and individuals often tell us how eager they are for each new edition.

Wide distribution of the *Citizen's Guide* is made possible by contributions from *Guide* supporters, and today, as we begin work on the *Guide's* 2016 edition, we ask you to consider supporting the *Guide* with an annual contribution. We will send you a reminder next year and will recognize your support as follows:

Annual Contribution	Recognition
\$500	Half-page <i>back cover</i> recognition in the printed <i>Guide</i>
\$150	Quarter-page recognition in the printed <i>Guide</i> , including your logo and copy (Half- and full-page recognition will be made inside the <i>Guide</i> for annual contributions of \$300 and \$600.)
\$100-\$149	Your name listed in the <i>Guide</i> as a GOLD Sponsor
\$50-\$99	Your name listed in the <i>Guide</i> as a SILVER Sponsor
Up to \$49	Your name listed in the <i>Guide</i> as a BRONZE Sponsor
Sponsors will receive additional recognition at www.lwvsouthbend.org	

Your ongoing support will be most appreciated and will help ensure the League is able to continue Making Democracy Work® by making this legacy publication available to local citizens. To make a contribution, please complete the enclosed form and mail it to me at the address on the form. I look forward to hearing from you very soon.

Sincerely,

Geri Pawelski, President

The League of Women Voters

- promotes civic participation and registers voters at community events and with our *High School Voter Registration Program*.
- sponsors candidate debates and forums.
- publishes the *Citizen's Guide to Representative Government*, a comprehensive collection of contact information for government offices, plus voting information.
- hosts *Lunch with the League*, a monthly discussion series featuring community leaders.
- partners with community organizations to encourage voter education and civil discussion on political issues.
- encourages and supports grassroots community issues.

The League of Women Voters

is a nonpartisan political organization encouraging the informed and active participation of citizens in government. It influences public policy through education and advocacy. The League does not support or oppose any political party or candidate. Membership is open to women and men.

**Democracy
is not a spectator
sport.**
